Brand New Book ***** Print on Demand *****.Excerpt from Institution of Mechanical Engineers: Report of the Proceedings at the Fourth Annual General Meeting, Held in Birmingham, on 23rd January, 1851 The Offices of the Institution have been established in the present building, containing the accommodation for the Meeting Room and library, and for the Secretary to be resident on the premises, and affording additional facilities for promoting the usefulness of the Institution, and its efficiency in accomplishing the objects for which it was established. The Council hope to receive from the Members and their friends contributions of Books and Drawings, for the formation of a Library of reference, and Models of Machinery, c., to form a Museum of Mechanical Models, for the use of the Institution. The Council have the pleasure of announcing that the following donations to the lands and the library of the Institution, have been received during the past year. Donation of 100 from the President, Mr. Robert Stephenson. Proof copy of Work on the Britannia and Conway Tubular Bridges, from Mr. Robert Stephenson. Paul R. Hodge on the Principles and...

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who stante that there had not been a worth reading. You may like how the author publish this ebook.
