In 1938, in the remote highlands of a mountainous island, explorers discovered thousands upon thousands of tribal people. Missionaries began to come, to bring the Good News of the Gospel of Jesus Christ. Little did they know that many of the people of the tribes were waiting . . . waiting . . . for someone to come and help them out of the darkness of their old way of life. Witness Men consists of true missionary stories that took place throughout the highlands of Papua, Indonesia, from 1955 to 2010, when one of the tribes received their first New Testaments.
