FOUR POTENTIAL GRAVITATION AMENDED

Four Potential
Gravitation
amended

Dr. Hartwig Poth

Book Condition: New. Publisher/Verlag: epubli | Gravitation is derived from four rest mass current density with new field equations. | In the present amended theory the gravitation potential is considered as a four potential like the electromagnetic four potential but being subject to field equations different from Maxwell's. The new source term is the four rest mass current density like the four electrical charge current density in the electromagnetic theory. The Mercury perihelion like some other effects known from general...
