HERNANDO CORTEZ (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Three hundred and fifty years ago the ocean which washes the shores of America was one vast and silent solitude. No ship plowed its waves; no sail whitened its surface. On the 11th of October, 1492, three small vessels might have been seen invading, for the first time, these hitherto unknown waters. They were as specks on the bosom of infinity. The sky above, the ocean beneath, gave no promise of any land. Three hundred adventurers were in these ships. Ten weeks had already passed since they saw the hills of the Old World sink beneath the horizon. For weary days and weeks they had strained their eyes looking toward the west, hoping to see the mountains of the New World rising in the distance. The illustrious adventurer, Christopher Columbus, who guided these frail barks, inspired by science and by faith, doubted not that a world would ere long emerge before him from the apparently boundless waters. But the blue sky still overarched them, and the heaving ocean still extended in all directions its unbroken and interminable expanse.
