THE ADULT ADHD TOOL KIT: USING CBT TO FACILITATE COPING INSIDE AND OUT (PAPERBACK)

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. A central source of frustration for most adults with ADHD is that they know what they need to do but they have difficulties turning their intentions into actions. These difficulties also interfere with their ability to use self-help books and to get the most out of psychosocial treatments that provide coping strategies that promise to improve their functioning. Drs. Ramsay...

Reviews

I actually started off looking over this publication. It is written in easy terms instead of difficult to understand. You are going to like the way the writer writes this ebook.

-- **Anabel Nienow II**

An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and I recommended this publication to understand.
