

Enterprise Risk Management - Straight to the Point: An Implementation Guide Function by Function (Paperback)

By Al Decker, Donna Galer

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This book describes a real world approach for business owners, executives and Boards to use in determining how business risk can affect top priority business strategies and how to develop action plans for addressing those risks through Enterprise Risk Management (ERM). It clearly explains the steps necessary to achieve an effective ERM process through a unique methodology for identifying and prioritizing risks across business functions. It provides an initial set of specific risks many functions may currently face. It also includes tools, sample reports and a case study that ties everything together providing the reader with a practical guide for implementing ERM. It is a concise tool for chief risk officers (CROs), functional executives, business owners or anyone in a leadership position who plays a role in managing risk. The emphasis is on linking ERM to the corporate strategy which is well illustrated in the case study. In addition, there is a detailed discussion of the value of ERM to the enterprise and its various stakeholders. Using this book, you can expect to be able...
