Brand New Book ***** Print on Demand *****.Excerpt from Child s Geography and History of St. Louis City In order to follow the requirements of our manual, it will doubtless be found necessary to give Third Grade classes, drills in the General Questions concerning the state, before entering on the chapter - Navigation on the Mississippi. It has been proposed that this book be used in the fourth quarter of the Second Grade, that on taking up the work of the Third Grade, pupils may be accustomed to the reading of the lessons. The teacher will be the best judge as to the ability of the pupil to take in Navigation on the Mississippi and Railroads before obtaining the required information concerning their State. Motions of the earth should be taught by means of a small globe. Definitions of natural divisions may be given as dictation exercises to be copied from the board. The Fourth Grade, requiring United States in outline, bring i the questions given under General Review. The teacher should select those she deems most suitable. The Fourth Grade should be provided...
