The system has no place for a cop who puts justice above the interests of the Party. It s a miracle that I survived as long as I did. For years, Chen Cao managed to balance the interests of the Communist Party and the demands made by his job. He was considered a rising star until, after one too many controversial cases that embarrassed powerful men, he found himself neutralised. Under the guise of a promotion, he s been stripped of his title and his influence, discredited and isolated. Soon it becomes clear that his enemies still aren t satisfied, and that someone is attempting to have him killed - quietly. Chen has been charged with the investigation into a Red Prince - a high Party figure who embodies the ruthless ambition, greed and corruption that is on the rise in China.
