Praeger. Paperback. Book Condition: New. Paperback. 270 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. A critique of conventional approaches to communication research, the authors argue that the impact of gender on research practices has been ignored. By exploring gender issues, and conducting applied research in the areas of mass and interpersonal communication, therapeutic interaction, and rhetoric, they critique traditional scholarship and offer novel alternatives. The authors take intact theories and methods and show their applicability (or lack thereof) to the study of womens communication. The adaptations allow researchers to conduct more accurate, sensitive, and theoretically sound analyses of womens communication than those promoted by traditional paradigms. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
