

## Drawing Pets

---

By Giovanni Civardi

Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, Drawing Pets, Giovanni Civardi, The focus of the book is very much on Giovanni's exquisite drawings of a broad range of animals, including cats, dogs, horses, chickens, rabbits and birds, in a variety of poses. There are sections on perspective, anatomy, form, structure and movement, and techniques. Civardi also shares pages from his sketchbook depicting dogs, chickens, cattle, cats and horses and the book ends with a section devoted to the drawings he made in the Natural History Museum, Milan. The accompanying text provides concise, clearly written explanations of the subject, including materials, equipment and practical considerations, and the author's in-depth knowledge of the subject is apparent throughout. This is therefore an ideal introduction to drawing pets for the absolute beginner, as well as a source of information and inspiration for artists of all abilities.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
