Brand New Book ***** Print on Demand *****.Recipient of the Jesse Bernard Award of the American Sociological Association. Rereading *Recreating Motherhood* should be high up on the agenda of everyone interested in women's health. -Women Health Written with force, grace and great humanity. Barbara Katz Rothman's disciplined, informed, passionately careful thinking on gender and genetics makes *Recreating Motherhood* a sound, wise guide both to the politics of motherhood and to private moral decision-making. This is an invaluable book. -Ursula K. Le Guin This wonderful and classic feminist text has been beautifully revised for the new millennium. Rothman's incisive analysis of the culture of motherhood is a must read for scholars, activists, policy makers, students, parents, parents-to-be-for anyone interested in procreative and family issues. I rarely say so about sociological writing: you won't be able to put it down! -Wendy Simonds, author of *Abortion at Work: Ideology and Practice in a Feminist Clinic* A lively, sensible work, connecting different aspects of women's reproductive freedom, exploring the various assaults against those freedoms, and positing feminist alternatives in a hopeful and practical manner. -Robin Morgan, author of *Word of a Woman: Feminist Dispatches* Selling genetically gifted human eggs on the free market for a hefty price. Birth mothers reclaiming their children. Fetal rights. Surrogacy. Nannygate. All are instances of news stories with which we have become familiar in recent years. Yet these issues are often regarded as distinct problems. Barbara Katz Rothman demonstrates how they form a complex whole that demands of us in response a coherent vision-a woman-centered, class-sensitive way of understanding motherhood and the family. Her book shows clearly that the real needs of mother, father,...
