Beacon Press, United States, 2015. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. The general public harbors assumptions about medical care that encourage overuse, assumptions like it s always better to fix the problem, sooner (or newer) is always better, or it never hurts to get more information. *Less Medicine, More Health* pushes against established wisdom and suggests that medical care can be too aggressive. Drawing on his twenty-five years of medical practice and research, Dr. Welch notes that while economics...
