The last passenger pigeon, which once covered the skies of North America, died in captivity in 1904. Common North American Bird Families North America is home to a number of bird species and families. Below, are some of these species. Anatidae is one common North American bird family. This group includes geese, swans, and ducks. There are a number of types of Anatidae and some are more commonly found in more areas than others. For instance, the Canadian goose is typically found in Canada and the northern states in the US. Strigidae is another common type of North American...
