HOOD S COOK BOOK (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Hood s Cook Book Three Just Claims. I. No department of science has witnessed greater progress during the past twenty-five years than that of obtaining correct information of the relative medicinal value of the various articles of the vegetable kingdom used for the relief of human suffering - their proper, effective combination, and the best method of securing and preserving their active principles for universal use. These searching investigations have shown that many articles which, at that time, were supposed to possess great curative effects are void of any medicinal power whatever. The supreme importance of purifying the blood has made this subject a field of active operations, the results of which have enabled us to present for your use and appreciation Hood s Sarsaparilla, an article which, by a combination peculiar to itself, is so vastly superior to any similar preparation that one has well said: Its health-giving effects upon the blood and the entire human organism are as much more positive than the remedies of a quarter of a century ago, as the steam-power of to-day is in advance of the slow and laborious drudgery of years ago. II. No other blood-purifier is worthy of comparison with Hood s Sarsaparilla. By cures wholly unprecedented in the history of medicine, it has proven its right to the title of The greatest blood-purifier ever discovered. We challenge any medicine to show an appreciation at home like that which has been poured upon Hood s Sarsaparilla. Such results only come from real merit, and the steadily increasing demand for this article unmistakably proves that people appreciate it. If you are suffering from scrofula, salt-rheum, or any...
