

Twenty First Century Science: GCSE Separate Sciences Workbook

By Nuffield/York

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Twenty First Century Science: GCSE Separate Sciences Workbook, Nuffield/York, The second edition of the Twenty First Century Science resources has been developed in partnership with OCR, the University of York Science Education Group and the Nuffield Foundation. They have been fully updated to match the new 2011 specifications. The second edition builds on the success of this hugely popular suite of resources. With extensive feedback from schools and teachers using the resources, the new suite provides ideal support for the 2011 specifications. There is now more help with exam preparation and assessment throughout the course and more differentiation to aid learning for all abilities. There is greater customisability using the latest digital support and it's packed with new scientific contexts reflecting the latest research and ideas. The GCSE Separate Sciences Workbook can be used to help consolidate students' learning through engaging activities. It's flexible as it can be used both at home and in the classroom, and is packed with activities that support the Student Book. The content is engaging and lively, ensuring up-to-date science is blended with engaging topic themes.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
-- Dr. Breana O'Kon
