For Haley Patterson, freshman year of high school boils down to having a good time with her two best friends and making a name for herself at the school newspaper. But when Haley reveals one too many juicy details in her gossip column, superdiva and queen bee Camilla Quinn makes sure that Haley s life changes.for the worse. Completely ostracized by everyone at school, including her best friends, Haley finds herself alone and miserable. Reprieve comes in the form of a summer job at an exclusive mountain resort, where Haley forges new friend-ships, snags a cute lifeguard, and learns how to trust again. But her newfound hope is not bought without some heartbreak. As the summer draws to a close, an unexpected confrontation with Camilla forces Haley to face her fears. Will she continue to let Camilla control her life? Or will Haley find the confidence and courage to stand her ground? From the author of Picture Perfect and Semiprecious comes an honest, poignant novel about fear, friendship, and fighting back.
