Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Maine: A History It is almost a hundred years since Maine was admitted to the Union, yet no history of the State with any claim to fullness has been written Judge Williamson s history stops at the separation, while the great mass of new material which has become available since his day has rendered his work, scholarly and useful in its time, now out of date. But the history here offered to the public is an attempt to supplement, not to supersede, that of Judge Williamson It is a history, primarily a political history, of the State of Maine. The political history of the period before the separation from Massachusetts is treated in outline merely, and the chapters dealing with this subject should be considered as an introduction to the main narrative. The history, however, is not purely political. Some account will be found of the economic, religious, and social life of Maine, and the editor regrets that it did not prove feasible to give a fuller discussion of these subjects. The chapters on the Indians, the boundary controversies and the nonpolitical subjects, have been prepared by some of the associate and contributory editors. In every case the name of the writer appears at the head of the chapter, and for these the editor claims no credit and assumes no responsibility. The chapter entitled Some Maine Celebrities is a composite work. Some of the sketches were written by the author, these are signed with his initials, L. C. H.; the remainder have been furnished independently and for them he declines all responsibility. The fourth or biographical volume is an appendix to, rather than a part..
