BACK TO FULL EMPLOYMENT

MIT Press Ltd. Hardback. Book Condition: new. BRAND NEW, Back to Full Employment, Robert Pollin, Full employment used to be an explicit goal of economic policy in most of the industrialized world. Some countries even achieved it. In Back to Full Employment, economist Robert Pollin argues that the United States--today faced with its highest level of unemployment since the Great Depression--should put full employment back on the agenda. There are good reasons to seek full employment, Pollin writes. Full employment...

Reviews

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Simply no words and phrases to spell out. It can be written in straightforward words and phrases rather than confusing. Your way of life period will likely be converted the instant you complete looking at this ebook.
